Summary of the Proposed Applications:

The City of Poulsbo is undertaking a periodic review and update of its comprehensive plan and development regulations, as required by the Washington State Growth Management Act (GMA), RCW 36.70A.130(5). The GMA sets forth that Kitsap County and its cities should review and revise, if needed, their comprehensive plan and development regulations to ensure their plan and regulations comply with GMA requirements. The periodic review shall continue for every eight years thereafter.

Poulsbo's Comprehensive Plan has been updated since the original 1994 GMA Plan, with a significant update adopted December 2009. Amendments have occurred yearly since 2009, including amendments to policies, maps, functional plans, and the capital facilities plan.

The City decided to review its 2009 Comprehensive Plan in concert with the more significant update efforts of Kitsap County and other local cities. The City initiated a public engagement and outreach entitled "community check-in" and established a public participation plan July 2015. The City also began updating all its functional plans; the Water plan was completed and adopted in 2015 and the Sewer, Storm Water, Transportation and Parks plans were updated in 2015/2016, to be adopted with this comprehensive plan update. Other amendments were identified with the establishment of the 2016 comprehensive plan docket in January 2016: 1) Incorporate all the functional plan updates in the Capital Facilities Plan and Appendix B; 2) Update as appropriate the Land Use, Transportation, Natural Environment, Capital Facilities, Housing, Parks Recreation and Open Space, Economic Development, Utilities and

Implementation chapters; 3) Incorporate the 2014 Kitsap County Buildable Lands Report data and land capacity analysis into Section 3 Land Development Review and Evaluation; 4) Update inventories with recent data including Appendix A; and 5) One site-specific re-designation request.

All documents related to the 2016 Draft Comprehensive Plan Update will be available for public review. The primary repository of all information related to the update is the City's website— <http://www.cityofpoulsbo.com/planning/ProjectPoulsbo2036.htm> where draft documents, meeting dates, updates on process, and official notices (notice of application, environmental review, public hearing notices, etc.), will be posted.
