2018 Physical Inspections of Real Property – A message from the Kitsap County Assessor

Dear Greater Poulsbo/Suquamish Property Owner,

Appraisers from the Kitsap County Assessor's Office are now conducting on-site inspections throughout the greater Poulsbo/Suquamish area. Washington State Law (RCW 84.40.025) requires inspections of all real property throughout the county at least once every six years. The current inspections should be completed by April 2018.

If an appraiser from the office attempts to make contact with you, please understand that they are trying to verify the characteristics of your property to ensure the accuracy of our data. Due to the high volume of inspections our appraisers are conducting, we are unable to accommodate appointments at this time.

Our appraisers do not drive county issued vehicles, however their vehicles are marked with the proper county identification on both sides. Other verification options are to request to see individual credentials, contact our office at 360-337-7160, or check our inspection area progress map on our website at: www.kitsapgov.com/assr.

The cooperation of the public is always appreciated by our staff. We look forward to working with you and answering your questions.

Best Regards,

A handwritten signature in blue ink that reads "Phil Cook".

Phil Cook
Kitsap County Assessor
