Bench Sponsor Program

City of Poulsbo
200 NE Moe St.
Poulsbo, WA 98370

What is the Bench Sponsor Program?

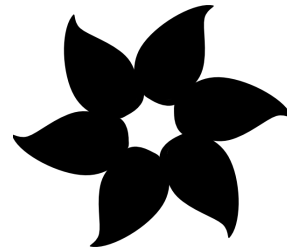

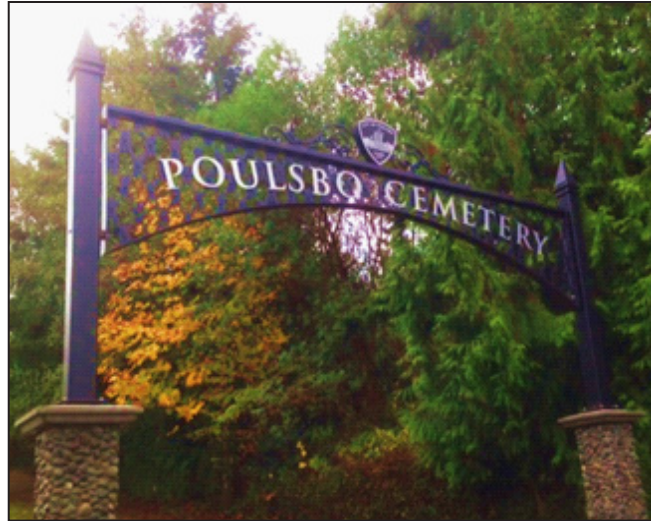

The Bench Sponsor Program provides an opportunity to honor a friend, relative or organization through the purchase of a community bench with a personalized plaque that will be installed in one of three Poulsbo areas:

Waterfront Park: Many years ago, the Historic Downtown Poulsbo Association created the “blue bench” project, where people could buy a bench that would be placed in the Waterfront Park. Those benches have sold out, but the demand for additional opportunities continues. The city is providing the chance for people to purchase a “brown bench” in front of the Austin-Kvelstad Pavilion.

Poulsbo Cemetery: As the Poulsbo Cemetery looks forward, one of the new improvements will be the addition of eight, 4’ foot benches throughout the Cemetery for public use.

Poulsbo Hillside: Lincoln Road and Hostmark Street are connectors to neighborhoods, parks and schools. These east-west streets are steep and will benefit from having rest benches for pedestrians.

Plaque Details

The plaque is 3” x 10” and contains 3 lines of information with 20 characters per line including spaces. Please be brief!

This is what I want my plaque to say:
