2014 City Construction Projects

The City of Poulsbo Engineering Department will be presenting a special City Council workshop on April 23, 2014 to discuss the City's 2014 construction projects. This workshop will start at 6:00pm in the Poulsbo City Council Chambers (note that the meeting will be starting 1 hour earlier than is normal for City Council meetings).

The Public is encouraged to attend the meeting – the scope and timing of the projects will be discussed as well as traffic and construction impacts.
