## Kitsap's real estate market hot in first half of year

*Written by Tad Sooter/Kitsap Business Journal*

Realtor Penny McLaughlin has a simple message for house-hunting clients this summer: "Don't dink around." "If you see it and you like it, you buy it now," McLaughlin said, "because someone else is going to see it tomorrow and buy it." Solid sales and low inventory set the stage for a frenetic housing market in Kitsap County . . . [continue reading](#)

## Semifinalists announced for Kitsap Bank Biz contest

*Written by Business Examiner*

Kitsap Bank has announced 16 semi-finalists in its 2015 edg3 FUND small business competition. . . The mission of edg3 FUND is to recognize entrepreneurs dedicated to growing their community in three ways: economically, socially, and environmentally. The bank received nearly 60 applications from entrepreneurs throughout . . . [continue reading](#)

## Expanded Fishline will house other service agencies

*Written by Terri Gleich/Kitsap Peninsula Business Journal*

North Kitsap Fishline has launched a \$2.7 million capital campaign to build a new grocer-style food bank and warehouse in Poulsbo and turn its existing building into a center that will provide coordinated services to people in crisis. "When we're done, we will have created a campus that meets the needs of the North Kitsap community for decades to . . . [continue reading](#)

## Foodie video channel features fish in North Kitsap

*Written by Kitsap Peninsula Business Journal*

Tizley's Europub, a Poulsbo restaurant, is featured in a five-part culinary guide to Washington produced by the New York-based Munchies website and video channel. . . In addition, the segment shows footage of the Poulsbo waterfront and Front Street stores. Tizley's co-owner Tammy Mattson said the exposure is a huge opportunity. . . [continue reading](#)

## Data sharing drives developments in STEM classes

*Written by Chris Henry/Kitsap Sun*

"This is what three-month-old sea floor looks," said Professor Debbie Kelley of the University of Washington's School of Oceanography. . . Kelly's presentation on Aug. 11 was the appetizer for a group of teachers from Kitsap and North Mason counties taking part in a STEM (science, technology, engineering and math) training . . .
