Poulsbo Summer Sailing Camps!!

Ages 8-16 and a new intro course for 6 and 7 yr olds!!

Is there anything better than summer sun on Liberty Bay? Our sailing program is an excellent chance to enjoy our beautiful area as well as learn a passion which will be a part of you for life! Our Youth sailing program is for **ages 8-16 and will be held at the Port of Poulsbo (near the boat launch.)**

Students must have beginner swimming skills and provide their own Coast Guard-approved life jackets. The all-day classes will be conducted in Opti and FJ class sailboats. FJ's are approximately 14' with a beam of 5', and are an ideal sailing dinghy to teach young sailors the skills of boat handling and racing. The Opti class is a self-righting dinghy that was developed especially for junior training. The Opti is used for our younger sailors, and is a more stable design, while still performing well in a breeze. Opti class sailboats have been used around the world for many years as a junior trainer.

The purpose of our sailing camps is to learn sailing skills, boating safety, and to have fun! Please remember, however, that sailing can at times be dangerous and students must be willing to work hard each day. Capsizing for the "fun" of it will not be tolerated. **A Coast Guard-approved life jacket must be worn at all times when on the dock and in the water.**

Students will need to bring a sack lunch, a beverage with extra water for hot days, swimsuit, change of clothes, soft-soled footwear (something you do not mind getting wet), sunscreen, sunglasses and/or a hat, and clothing appropriate for the weather. Wetsuits will be used on inclement weather days only; bring your own if you have one. On cool days, you may need extra clothing. For further information, call Parks and Recreation at 360-779-9898.
