 Kitsap County Building Footprints, Kitsap County GIS
 (Downloaded October 26, 2009)
 Vacant and Underutilized data, Kitsap County GIS (November 2008)

This shoreline map series is intended for general shoreline planning. These maps are schematic representations of physical features, infrastructure, and land ownership boundaries. The map information was derived from available public records and existing sources, not from surveys. Studies may be necessary with project review to verify information.
