

# City of Poulsbo

## Engineering Division-Memorandum

---

**To:** Concerned Parties and Engineering Staff  
**From:** Andrzej Kasiniak, P.E., City Engineer  
**Subject:** City of Poulsbo adopted Construction and Development Standards  
**Date:** January 3, 2013

---

### **List of adopted Construction and Development Standards**

The following list is the City of Poulsbo's current adopted construction and development standards. The list will be kept current per Poulsbo Municipal Code (PMC) Section 12.02.010 as design standards change/update and are administratively adopted by the City Engineer per PMC 12.02.010.

1. City of Poulsbo Construction Standards and Specifications, Dated 2005, published by the City of Poulsbo. Current most recent amendment dated June 2009.
2. Recommended Guidelines for Subdivision Streets, published by the Institute of Traffic Engineers.
3. Criteria for Sewage Works Design (Orange Book), published by the Washington State Department of Ecology, most recent revision August, 2008
4. Stormwater Management Manual for the Puget Sound Basin, published by the Washington State Department of Ecology, dated 1992
5. Stormwater Management Manual for Western Washington, published by the Washington State Department of Ecology, dated 2005
6. WSDOT Highway Runoff Manual M 31-16 – 2008, published by the Washington State Department of Transportation
7. Design Manual, published by the Washington State Department of Transportation, most recent update (currently March, 2012)

8. Standard Specifications for Road, Bridge, and Municipal Construction, published by the Washington State Department of Transportation, most current version (currently 2012).
9. Standard Specifications for Municipal Public Works Construction, published by the American Public Works Association
10. AWWA Standards, published by the American Water Works Association
11. Kitsap County Stormwater Management Design Manual, published by the Kitsap County Department of Public Works, Stormwater Division, 1997 Edition with June 2002 and February 2007 amendments
12. Manual of Uniform Traffic Control Devices, published by the Federal Highway Administration (most current version, currently 2009 edition)
13. Low Impact Development (LID) Guidance Manual – A Practical Guide to LID Implementation in Kitsap County, June 2009, Published by the Kitsap Home Builders Foundation.
14. Rain Garden Handbook for Western Washington Homeowners, June 2007, published by Washington State University.

**Additional Standards/manuals pending adoption or under consideration for adoption:**

1. Low Impact Development Technical Guidance Manual for Puget Sound, December 2012, published by Puget Sound Partnership Washington State University.

**Additional Standards/manuals with special considerations:**

1. Kitsap County Stormwater Design Manual, Feb. 16, 2010 may be used with prior approval of City Engineer - See PMC 12.02.040
2. 2009 King County Surface Water Design Manual may be used with prior approval of City Engineer – See PMC 12.02.040
