MEMORANDUM

to: Building and Engineering Department Staff
from: John R. Stephenson, P.E., City Engineer
subject: Notice of Revision of Erosion Control Cash Deposit Calculations
date: February 21, 2003

NOTICE OF REVISION

Section 15.35.075 of the PMC allows the City Engineer to determine the amount of the required deposit for erosion control; therefore, the City Engineer may set and revise the deposit amounts at his discretion. **CASH DEPOSITS FOR EROSION CONTROL SHALL BE CALCULATED AS FOLLOWS:**

1. **Single family:**
\$1000.00 per lot
2. **Plats, Commercial Sites, and other permits involving grading:**
\$3000/acre with \$5000 minimum for 1 acre or less. Pro-rated to the nearest 1/10th acre.
3. The City Engineer may require an increase, or approve a reduction, of the standard amount on a case-by-case basis depending on site conditions.
