**SEPA MITIGATIONS**

1. The Environmental Impact Statement, SEPA mitigations and conditions of approval for the Olhava Master Plan (OMP), incorporated into the 1998 approval and subsequent appeal decision of 1999, are incorporated by reference. The same OMP SEPA mitigations and Conditions are included in the Development Agreement among the City of Poulsbo, Community College District #3 (Olympic College) and Olhava Associates, signed April 4, 2004 and recorded April 29, 2004, and are applicable to the entire OMP property. The Development Agreement is the mechanism that implements the payment of SEPA mitigation fees. The Development Agreement and OMP documents are available at the Poulsbo City Hall for review.

Animals

2. It shall be the responsibility of the applicant to take all necessary steps to prevent the incidental taking of protected species under the Endangered Species Act through habitat modification or degradation during the life of the project or development authorized by this permit or approval. The applicant shall notify the City through its Public Works Superintendent and the Federal agencies with responsibility for enforcement of the Endangered Species Act immediately, in the event of any damage or degradation to salmon habitat by or from the project or the development subject to this permit or approval. In any such case, the applicant shall, at its sole cost and expense, take all actions necessary to prevent the furtherance of the damage or degradation and to restore the salmon habitat as required by the Federal, State, and local agencies with jurisdiction.

Transportation

3. Payment of traffic mitigation fees is required for the project, as implemented through Schedule B of the 2004 Olhava Development Agreement, as may be amended from time to time. Traffic mitigation fees shall be confirmed with the building permit application and paid before building permit issuance.
