Raquetball

Inspire Teach Change

Poulsbo Parks & Recreation is looking for instructors to offer programs, classes and camps this Spring and Summer. We're looking specifically for adults to teach gymnastics and sports classes for preschoolers and youth, but would also love to talk to instructors interested in teaching other programs for any age group.

Do you have a skill or a hobby that you would like to share with the community? Parks & Recreation instructors set all the parameters for their class: days, dates, time, age of students - and you get paid, too!

For a course proposal form or more information, please call us at 360-779-9898.
