

2019 Comprehensive Plan Annual Amendments

Public Participation Plan

January 2019

INTRODUCTION

The Growth Management Act requires local governments to establish a public participation program for the evaluation and update of its comprehensive plan and development regulations. Poulsbo Municipal Code (PMC) [19.40.050\(D\)](#) further develops the requirements of the public participation program in the City of Poulsbo. This public and agency participation plan describes the steps that the City of Poulsbo will take to involve the community. The purpose of the public and agency participation plan is to inform the public, agencies with jurisdiction, and other interested parties about 2019 Comprehensive Plan Amendments (CPA).

This document is a working document and will be adjusted if needed to provide for the greatest and broadest public participation.
