

# Farmers Market Limited Zoning Amendments

## Public Participation Plan

January 2019

---

### INTRODUCTION

National public health initiatives have endorsed the expansion of farmers markets, particularly in urban environments, to allow more convenient access to healthier food. The City of Poulsbo wishes to encourage the growth and development of the farmers market. However, the City also recognizes the need to better regulate the market in order to ensure the health, safety and welfare of the residents.

The farmers market is currently permitted in the Poulsbo Municipal Code (PMC) with a Temporary Use Permit (TUP). However, a TUP is only valid for up to 2 years. The proposed amendments to the Zoning Ordinance (Title 18) would permit the use by right within residential zoning districts if they meet certain criteria set forth in the ordinance.

### PUBLIC AND AGENCY GOALS

- To provide the public with timely information, an understanding of the process, and opportunities to review and comment on the critical areas ordinance amendments, and to have these comments forwarded to the City's decision makers.
- Ensure that information about the process is provided to the public early in the process and at regular intervals thereafter, to maximize public awareness and participation in the process.
- Actively solicit information from citizens, property owners and stakeholders about their concerns, questions and priorities for the amendment process and the future of Poulsbo land uses and the City's Comprehensive Plan.
- Encourage the public to informally review and comment on the update throughout the process.
- Incorporate public comment into the local government's review process prior to significant milestones or decision making.
- Provide forums for formal public input at milestones prior to decision making by local officials.
- Consult and consider recommendations from neighboring jurisdictions, federal and state agencies, and Native American tribes.
