Lead Agency:	City of Poulsbo

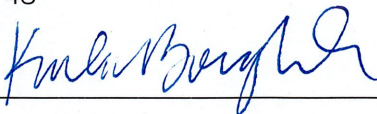

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

COMMENTS: The City is utilizing the provisions provided for in WAC 197-11-060(5) “phased environmental review”. Specific environmental review will be required at the time of a site-specific development proposal submittal, and a threshold determination will be issued at the time of a development application. Site specific development impacts are not identified at this time. Additional project information will be prepared and made available when a project is ready to move forward as a development proposal.

This DNS is issued under WAC 197-11-355, Optional DNS Process. There is no further comment period on the DNS.
