RESOLUTION NO. 2019-06

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF POULSBO, WASHINGTON, APPROVING AN EXEMPTION TO THE COMPETITIVE BIDDING REQUIREMENTS FOR THE PURCHASE OF 2010 CASE 580 (SUPER M) BACKHOE.

WHEREAS, the City of Poulsbo Purchasing Manual provides for exemptions to the competitive bidding requirements as provided in RCW 39.04.280(1); and

WHEREAS, the Public Works Department has provided adequate justification as outlined in Exhibit A for an exemption to the competitive bidding requirements in the case of 2010 Case (Super M) Backhoe now, therefore,

THE CITY COUNCIL OF THE CITY OF POULSBO, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:

Authorization: The Public Works Department is authorized to purchase 2010 Case (Super M) Backhoe from Heidi Zwicker without using the competitive bidding procedures.

RESOLVED this 1st day of May, 2019.

APPROVED:

REBECCA ERICKSON, MAYOR

ATTEST/AUTHENTICATED:

RHIANNON FERNANDEZ, CMC, CITY CLERK

FILED WITH THE CITY CLERK: 04/26/19
PASSED BY THE CITY COUNCIL: 05/01/19
RESOLUTION NO.: 2019-06

City of Poulsbo

Public Works Department

April 30, 2019

The following item shall be considered **Exhibit A** of the Sole Source Resolution for the purchase of a used 2010 Case backhoe in the amount of \$65,000 from Heidi Zwicker.

Richie Bros Auction Results – Shown are the last 24 months of auction results at the local Chehalis Washington Richie Bros Auctions. While there were machines that were less expensive than the one we are wanting to purchase they have high hours and would need a large amount of maintenance up front. I would not recommend purchasing any of the units that have been at this auction in the last 24 months.

Sonsray Machinery – Sonsray Machinery is the local Western Washington Case dealer. Attached is from their website on the available used machines.

There are a few machines that are comparable in price but they have high hours and will be in need of a lot of maintenance.

The machine that is similar in quality and low hours to the one we are wanting to purchase is \$116,000

There are no quality used machines in the Washington State Sonsray Equipment inventory. They are listed out of California so Shipping would have to be added to the purchase price.

A new machine from Sonsray Equipment starts at \$120,000

Heidi Zwicker – Owner of the 2010 Case Super M Backhoe for sale in the amount of \$65,000. This machine is a quality very low hour machine. It is almost brand new. The City of Poulsbo had an Authorized Case Service Technician as well as our own mechanic go over this machine and both people agree that the machine is worth the price they are asking for it.

Sincerely,

Mike Lund
Public Works Superintendent
