Safety Reminders for a Great Summer

Employment Opportunities

The following positions are currently open and the City is seeking applications: Police Officer - Lateral, Police Officer - Entry Level, Seasonal Labor - Public Works, and Sailing Instructor - Parks and Recreation. [Click here for the job postings.](#)

As we move into another great summer season in Poulsbo, your Police Department wants to remind you to take positive steps to keep you and your valuables protected. It's important that all of us pay attention to our surroundings and make efforts to prevent and deter criminal behavior. By doing so, we ensure everyone has an enjoyable and safe time in Poulsbo, whether they live in this great community or are just visiting.

1. Lock your doors and fully roll up your windows.
2. Lock valuables in the trunk and don't leave anything visible that may attract a thief.
3. Close any change holders, consoles, or glove boxes and hide power cords to electronic devices. Even small items such as coins and cords have value to thieves.
4. Park in well-lit areas or places that have a high volume of foot traffic.
5. Don't leave your car running when it's unattended, even for a moment. On cold mornings and hot

call 360-779-9898 or e-mail
LearnandGrow@CityofPoulsbo.com.

evenings, thieves are known to drive around looking for these opportunities to steal cars.

- Invest in an anti-theft system and make sure it is armed before you walk away.
- Take a moment to look around your surroundings before getting into or out of your car.

If you are the victim of a vehicle prowl, contact 911 immediately and an officer will be dispatched to assist you. Even if it doesn't appear that anything is missing, you may learn later that something has been taken. Contacting the police also helps us to have a better idea of what may be happening in our community and we can direct resources to address it.

Forest Rock Lane Pavement Project

The Forest Rock Lane Pavement Preservation Project will rebuild the road base, install trench drains, and thicker asphalt to improve the road. The road will be upgraded from the Central Market entrance to Caldart Avenue.

Forest Rock Lane Preservation Project construction started on May 23rd. The road will be closed to thru traffic from June 5th to mid July. For project updates see the following Engineering Department page:
