
REQUEST FOR A DEFERRED FINDING

The Legislature allows you to defer one moving and one non-moving infraction for every seven years.

The Court does not allow deferrals on the following infractions: Passing a School Bus, Speeding in a School/Construction Zone, Speeding 21 or more miles over the posted limit, Negligent Driving 2nd Degree or Parking Infractions.

The Judge cannot grant a Deferred Finding if you have a Commercial Driver License.

The Court must receive your request for a Deferred Finding before your scheduled court appearance. A statement is not necessary if you are requesting a Deferred Finding. You will be notified by mail of the Judge's decision.

REQUIREMENTS OF A DEFERRED FINDING

- I agree to pay the required Administrative Fee of \$200 within 30 days, unless payment arrangements have been made on the reverse side of this form.
- The Court will dismiss this violation(s) after the required 1-year deferral period if I have not committed any new traffic violations and have paid in full the required administrative fee.
- If I fail to comply with the conditions of the Deferred Finding, the Court will enter a finding of committed of the infraction(s), the original penalty of the violation(s) will become due and payable, in addition to any unpaid portion of the administrative fee previously imposed, and the violation will be reported to the Washington State Department of Licensing.
