A Vision for a New Regional Facility for Poulsbo and North Kitsap

The City of Poulsbo welcomes the community to an exciting opportunity to participate in the planning of a new events and recreation center. The Poulsbo Events and Recreation Center (PERC) is a concept for a multi-use recreational, educational and events center. With the financial support of the Kitsap Public Facilities District and the encouragement of the Kitsap Community, the City of Poulsbo is undertaking the development of this new regional center.

We want to hear your ideas! Let us know your preferences and what ideas you have to make this an exceptional community asset. The PERC survey can be found here:
