Project Description:	The Shoreline Management Act (SMA) requires each SMP be reviewed and revised, if needed, on an eight-year schedule established by the Legislature. Ecology is the regulatory body in charge of overseeing the City's SMP periodic review and also provides technical support and partial funding to prepare SMP periodic reviews. The City of Poulsbo's periodic review must be completed by June 30, 2021. The periodic review ensures the SMP stays current with changes in laws and rules, remains consistent with other City of Poulsbo's plans and regulations, and is responsive to changed circumstances, new information and improved data. The City of Poulsbo last completed a <i>comprehensive</i> update of its SMP in 2012. This will not be a comprehensive update, but instead a minor periodic review.		
Public Comment Methods:	Written comments may be mailed, faxed, or e-mailed to the PED Department contact information indicated below. To ensure consideration, all written comments must be received prior to close of the public hearing.		
Review Authority:	The City Council is the review authority for this Type IV application. Approval by the Washington State Department of Ecology is also required.		
Public Participation Plan:	A Public Participation Plan for the SMP was prepared and can be found here: https://cityofpoulsbo.com/planning-economic-development/shorelineupdate/
