¹ Deposits:

- In the review of a land use permit application, the City may determine that such review requires the retention of professional consultant. In addition to the land use fees that an applicant is required to submit, the applicant shall also be responsible to reimburse the City for the cost of professional consultant services if the City determines such services are necessary to complete its review of the application submittal. The City requires the applicant to deposit an amount with the City, which is estimated, at the discretion of the Planning Director, to be enough to cover anticipated costs of retaining professional consultant services and to ensure reimbursement to the City for such costs. Additional deposits may be necessary during the review of the land use permit application. Unused consultant deposits will be refunded after permit issuance (per PMC ~~13~~12.010).
- A deposit for Hearing Examiner services will be collected at the time of land use permit submittal. Actual final costs of the hearing examiner services will be the responsibility of the applicant.
- A deposit for all public noticing requirements will be collected at the time of land use permit submittal. Unused noticing deposits will be refunded after permit issuance.

² The cost for third party/expedited review shall be in addition to all other permit and/or plan review fees. Unused deposit will be refunded after permit issuance.

³ Notes:

- Additional Submittal Review Fees: The fees include the review of the initial application and two revisions (three submittals total) plus the preparation of staff reports and administrative decisions. If a project requires staff review of more than three submittals, the applicant will be charged an hourly rate of \$75 (minimum of six hours) for the time the project planner spends reviewing each submittal thereafter. The applicant shall pay \$450.00 prior to staff commencing review of each additional submittal.
- Recording Fees: For those applications which require recording of the final document, the applicant shall bear the costs of all recording.
