

School Loop

Distance : 1.63 miles/ .94mile

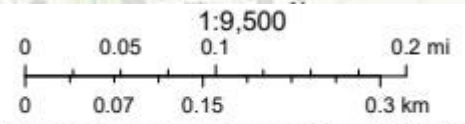

Elevation Gain : 107ft/58ft

Trail Type: Paved/Gravel Trail

The School Loop offers two options. The longer loop is entirely paved. Depart from the high school parking lot heading north on Caldart, then east along Mesford. Stop, sit and listen to the birds sing in Rotary Morrow Park and head south on Noll Rd. Finish by following Hostmark back to the departure point. A shorter route is possible by heading south from Mesford via the gravel trail across school grounds.
