Temporary use permit is a mechanism by which the city may permit a use to locate within the city on an interim basis without requiring full compliance with the development standards of the land use district or by which the city may permit seasonal or transient uses not otherwise permitted. Refer to [Chapter 18.280](#) of the Poulsbo Municipal Code (PMC) for more information. For a detailed description of the Type I review process, refer to PMC [Title 19](#) (Project Permit Application Procedures).

Project Narrative detailing how the temporary use addresses the following, per [PMC 18.280.060](#):

- The temporary use will not be materially detrimental to the public health, safety, or welfare, nor injurious to property or improvements in the immediate vicinity of the temporary use.
- The temporary use is not incompatible in intensity and appearance with existing land uses in the immediate vicinity of the temporary use.
- Adequate parking is provided to serve the temporary use, and if applicable the temporary use does not create a parking shortage for other existing uses on the site.
- Hours of operation of the temporary use are specified.
- The temporary use will not cause noise, light, or glare which adversely impacts surrounding uses.

Site plan drawings

*Site plan drawings shall show:*

- A vicinity map showing the location of the property and surrounding properties. A copy of Kitsap County Assessor's quarter section map may be used to identify the site.
- Dimensions and orientation of the parcel.
- Location of existing and proposed buildings and structures showing the intended use of each.
- Location of walls and fences, indication of their height and construction materials.
- Location and size of exterior signs.
- Location and dimensions of areas for parking.
- Total dimensions of the area of temp use related structures and the area devoted to the temp use.
- Zoning of adjacent property.
