The Nordic Cottages are primarily intended for very low income seniors, that is, seniors earning 30% or less of our area's median income (or less than \$20,000 a year).

It is too early to start a waiting list for the Cottages, but people can join the Nordic Cottage information list. Email your name to nordiccottage@cityofpoulsbo.com

THE CITY'S COMMITMENT TO AFFORDABILITY

The Nordic Cottage Project is a partnership between the City of Poulsbo and Housing Kitsap. The Nordic Cottages will stay permanently affordable by being built on public land, financed with public dollars, and managed by our local housing authority.

WHAT'S NEXT

Poulsbo City Council designates land for affordable housing.

Poulsbo City Council passes a local affordable housing sales and use tax.
