## PERC Community Open House Questionnaire (March 1-31, 2021)

Thank you for joining the PERC March 2021 Community Open House. We are thankful you've stopped by! The online open house provides an opportunity for you to provide feedback to the PERC project team. One important objective of the online open house is to gather additional feedback and clarification of preferences from the first survey. Thank you for taking the time to participate in this short questionnaire.

The PERC will be located in College Marketplace near Home Depot. It will include indoor recreation space, outdoor fields, recreation features, community meeting space, and the City’s Park and Recreation Department offices. How many times would you envision you or your family visiting the PERC during an average month?

Answered: 101 Skipped: 0

- My household wouldn't visit the PERC
- 1-3 times
- 4-6 times
- Several times a week
- Most days

Choices	Response percent	Response count
My household wouldn't visit the PERC	2.97%	3
1-3 times	22.77%	23
4-6 times	31.68%	32
Several times a week	34.65%	35
Most days	7.92%	8
What feature would increase the number of times you'd visit the PERC in a month:		90

What feature would increase the number of times you'd visit the PERC in a month:

1. Olympic size swimming pool, activity water features, outdoor venues such as gardening edible landscapes ( ref: Incredible Edible Todmorden, UK), concerts, meet up places, and other community events ( not political rallies)
2. Lighted Tennis Courts
3. swimming, fitness classes

4. Having Pousbo Community Orchestra rehearse and perform in this facility. I am a member of the orchestra.

13. Group fitness classes
14. Fitness classes and child care option
15. pool
16. A pool and youth activity classes
17. raquetball court
18. Kid activities, walking trails that are stroller accessible
19. A weight room and fun exercise classes.
20. Indoor Pickleball, swimming, special events
21. Pool, indoor soccer, arts and crafts classes for kids, cooking classes for kids
22. Disc golf course, climbing wall, pool, archery
23. Sports fields/facilities for youth
24. Community gathering needs (tables, covered areas, trash cans, playground, bathrooms) Indoor and outdoor activities for multi-generational needs Entertainment Safety for all ages Interesting and useful educational opportunities Indoor pool Indoor tennis
25. Activities of interest to seniors, such as discussions on travel, history, and issues like dealing with personal computer maintenance and updates.
26. Aquatic facility
27. Walking trails with exercise stations, availability of classes outside the normal work day hours, other special events.
28. Affordable classes
29. water exercise for old fogies adult classes
30. Indoor kid sports during winter, affordable rental prices of rec rooms or event rooms. Would love love love swimming lessons. Roller skating/roller derby space would be amazing. There isn't many good places to roller skate.
31. Activities for Seniors - ping pong table, games, art lessons, writers group, exercise groups...laughter and fun things to do.
32. aquatics, yoga, exercise equipment, classes
33. organized classes for cardio, yoga, boxing/kickboxing; batting cages;

41. Indoor walking track for bad weather
42. Group exercise and yoga classes.
43. Table Tennis Swimming pool

44. Indoor playground or pool.
45. Swimming pool with swim team and diving facilities, performing arts/theater venue
46. Outdoor lighted fields. We'd love for this phase to begin ASAP!
47. cost and location, I live closer to downtown and dislike the College Park area.
48. If there is a pool with reasonable open swim hours, then my family would visit \_at least\_ once per week. Without a pool, I really don't know what our usage would be like. I have less than zero interest in a PERC without aquatics, \_AND\_ I would pay a user fee to access an aquatic facility.
49. Nothing I can think of.
50. Large pool, outdoor walking trails
51. pool and track
52. lap pool for swimming exercise
53. Basketball facility
54. Fields and courts for intramurals

63. in door courts for open basketball
64. Indoor Basketball Court Baseball field Football field
65. Indoor work out gym. Indoor basketball courts.
66. Indoor Basketball courts available for public use
67. A basketball court, or two
68. Indoor basketball courts!
69. Pool and indoor tennis courts.also yoga,exercise classes.also weight room
70. Basketball practices Volleyball practices
71. I have coached girls basketball for the past 8 years. Getting gym time has always been difficult and the pandemic has highlighted the need for additional indoor basketball courts (outside of the schools) in our community. If it were reasonable to rent time I would use the courts consistently and know many other coaches would as well. I would also love for our community to be able to host basketball tournaments as all the teams in Kitsap travel out of town many times a year, increasing our costs and decreasing our time at home. I would 100% support this and advocate for you.
72. Indoor Courts for Basketball and or volleyball.
73. An aquatic facility, outdoor splash pad, indoor fitness equipment and classes, weight room and indoor walking track.
74. I presently live in Allyn though would like to live in Kingston/Poulsbo & may in the future) - would be great to bring grandchildren to such a center. Poulsbo & Silverdale are listed as service areas but seems like a consideration to bring in Kingston also.
75. Sports indoor and outdoor.
76. Multiple indoor basketball courts.
77. Youth outdoor activities and indoor fitness center.
78. Workout equipment, fitness classes, sauna, trails for dog walking
79. A pool! Our area is in need of a recreational indoor pool. The NKSD pool is small, has few recreation features, and the locker rooms are small and outdated, and not easy for families to use.
80. Indoor courts for basketball and volleyball, pool, fitness and recreational programs.
81. Safety and cleanliness. Outdoor play areas: open field, playground. I think a water spray park would be great for summer use.

82. Indoor basketball courts
83. A performing arts component
84. Gym fitness workout area and classes and pickleball courts.
85. Basketball Court
86. outside trails and indoor lecture or learning programs
87. Activities offered, i.e., crafting, education, tai chi or such. Activities for me and my cohorts, meaning single, healthy, seniors
88. A pool. I believe long course meter pool is the way to go though. The demand is HUGE in the Seattle area for one. The only one in the area is Federal Way. It takes teams would want to rent space, Summer swim meets, 3 to 4 days in length bringing in hundreds of swimmers to Kitsap County area. Good for restaurants, hotels and local businesses. The demand is there. LCM is a huge economic opportunity for the area. As a 50 something adult swimming is a sport I can do for life. It is a sport from birth to death. The demand for pool is there! You can have youth teams and Master teams.
89. Swimming pool
90. POOL

## Indoor Recreation

In the Fall 2020 PERC Community Preference Survey, a strong preference for an aquatic facility was voiced. A new aquatic facility would be an expensive element to construct and require a long-term commitment of community and user funding for maintenance and operations. The PERC project team will begin evaluating whether a aquatic facility is a feasible element, and this will be determined in part through estimating the number of users and overall cost to provide a aquatic facility. The following questions will help determine potential user demand:

How important is a PERC aquatic facility to you and your family? Please check the answer that best reflects your interest.

Answered: 101 Skipped: 0

- I would be unlikely to support the PERC unless there was an aquatic facility
- I would support an aquatic facility, however, I would also support a PERC that doesn't include an aquatic facility
- I would consider paying more (user fees, taxes) to have an aquatic facility included at the PERC
- I'd prefer the PERC to not have an aquatic facility
- Poulsbo already has a pool (NKSD)

Choices	Response percent	Response count
I would be unlikely to support the PERC unless there was an aquatic facility	8.91%	9
I would support an aquatic facility, however, I would also support a PERC that doesn't include an aquatic facility	44.55%	45
I would consider paying more (user fees, taxes) to have an aquatic facility included at the PERC	32.67%	33
I'd prefer the PERC to not have an aquatic facility	3.96%	4
Poulsbo already has a pool (NKSD)	9.90%	10

Q7

How many people in your household would likely use an aquatic facility at the PERC?

Answered: 98 Skipped: 3

● 2 or less

● 3 to 5

● > 5

Choices	Response percent	Response count
2 or less	63.27%	62
3 to 5	34.69%	34
> 5	2.04%	2

Q8

If a new indoor aquatic facility was part of the PERC with the features that your household desires, how often would your household use the facility?

Answered: 100 Skipped: 1

- Several times a week
- Once a week
- A few times a month
- Less than once a month
- Never

Choices	Response percent	Response count
Several times a week	28.00%	28
Once a week	15.00%	15
A few times a month	28.00%	28
Less than once a month	22.00%	22
Never	7.00%	7

## Outdoor Recreation

The PERC is intended to create new multi-use fields for tournament, league and community activities. Several surveys and studies over the past several years demonstrate a need for more local fields. The PERC team would like to understand your likely use and preference for the multi-use fields and outdoor recreation.

Please select the top two answers that best reflects your interest in outdoor recreation at the PERC:

Answered: 100 Skipped: 1

- I and members of my family would use all-season, lighted fields at the PERC
- I wouldn't, but members of my family (kids, grandkids, etc.) would use fields at the PERC
- I wouldn't participate on the fields but would likely attend field events at the PERC
- I would prefer other outdoor activities, such as archery, badminton, volleyball, picnic and play areas and cultural spaces, be included in addition to the all-season, lighted fields
- I do not support fields at the PERC

Choices	Response percent	Response count
I and members of my family would use all-season, lighted fields at the PERC	24.00%	24
I wouldn't, but members of my family (kids, grandkids, etc.) would use fields at the PERC	39.00%	39
I wouldn't participate on the fields but would likely attend field events at the PERC	26.00%	26
I would prefer other outdoor activities, such as archery, badminton, volleyball, picnic and play areas and cultural spaces, be included in addition to the all-season, lighted fields	54.00%	54
I do not support fields at the PERC	9.00%	9

## Meeting and Event Space

The PERC will include an events center with meeting spaces that are available for regional and local events. The revenues generated from the events center portion of the PERC are necessary to financially sustain all elements of the PERC. The Fall 2020 PERC Community Survey showed that preferences were evenly shared between shared uses between performing arts, education activities, local events like weddings, indoor markets and banquets. The PERC project team is seeking additional input to best determine how to accommodate multiple uses that also supports revenue generation:

Q10

Select the top two statements that best describes your interest in meetings/events at the PERC:

Answered: 99 Skipped: 2

- I would support an event space that is designed to serve multiple uses and generate revenues to support the PERC and Poulsbo economy
- I and members of my household are likely to attend an event at the PERC if we are participating or have an interest in that event
- I and members of my household support an event spaces that includes a performance arts component
  
- I would support an event space that also supports the needs of Olympic College and Western Washington University students and faculty
- There is no need for event spaces at the PERC

Choices	Response percent	Response count
I would support an event space that is designed to serve multiple uses and generate revenues to support the PERC and Poulsbo economy	66.67%	66
I and members of my household are likely to attend an event at the PERC if we are participating or have an interest in that event	43.43%	43
I and members of my household support an event spaces that includes a performance arts component	34.34%	34
I would support an event space that also supports the needs of Olympic College and Western Washington University students and faculty	40.40%	40
There is no need for event spaces at the PERC	7.07%	7

Q11

Would you support having some facility time scheduled to host large events and/or tournaments at the fields which draw people to Poulsbo to stay overnight?

Answered: 101 Skipped: 0

- Yes, I would support large events/tournaments to be hosted at the facility
- No, I would not support large events/tournaments to be hosted at the facility
- Undecided

Choices	Response percent	Response count
Yes, I would support large events/tournaments to be hosted at the facility	79.21%	80
No, I would not support large events/tournaments to be hosted at the facility	6.93%	7
