Subj: USE OF CENTRAL KITSAP SPORTING FACILITIES FOR TOURNAMENTS

In response to your initiative to plan and host sporting tournaments at the proposed Poulsbo Events and Recreation Center (PERC) synthetic turf field, Central Kitsap School District is open to participation in sharing and marketing fields to attract tournament play.

Our community will benefit from hosting sports tournaments during the summer and on holiday weekends. These tournaments benefit our community by enabling our local sports teams to participate without incurring travel expenses. Our local businesses will also benefit as sports tournaments often generate increased traffic for restaurants, lodging, and other local shops.

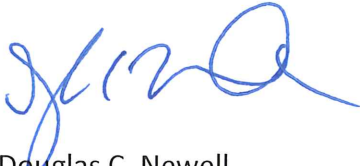

Currently Central Kitsap School District has the following inventory to support soccer, lacrosse, and football:

- a. Synthetic Turf Fields with Lights
 - i. Huey Field. Central Kitsap Middle School
 - ii. Cougar Field. Central Kitsap High School
 - iii. Integrity Stadium. Olympic High School.
 - iv. Eagle Stadium. Klahowya Secondary School.
- b. Natural Turf Fields.
 - i. Ridgetop Middle School
 - ii. Fairview Middle School
 - iii. Klahowya Secondary School (practice fields that can be striped for applicable sport).

Our fields are typically available for use when school is not in session (summer, winter break, spring break, etc.) and over long holiday weekends (Labor Day, Veteran's Day, President's Day, Memorial Day). At all other times school use takes precedence over community use.

CKSD Point of Contact. Lauren McDaniel, CKSD District Athletic Director.
