

Sign Sweep / Spring Cleaning

Mayor Erickson announced a sign cleanup action in City Council meetings that the City of Poulsbo has a sign ordinance which is systematically being ignored. Public Works is removing unpermitted signs starting on Monday, May 1, 2023. They will be held at our public works yard (22097 Viking Avenue NW) for one month or until Thursday, June 1, 2023.

Before attempting to retrieve your sign, please contact the City of Poulsbo Planning and Economic Development Department to determine the regulations and if a permit is necessary.
