

Some specifics about the schedule: updated Dec 21, 2023

Get your team number first. The teams are listed at the bottom of each weekly schedule. **BOYS ARE IN BLUE; GIRLS ARE IN RED.** The grade you are competing in is the first of two numbers. This is the number along the top of the column of names for your grade. The second number is the row number your name appears in. A couple of examples from the list:

BOYS	1ST	2ND	3RD
1	Percy	Groves	Sutton
2	Sullivan	Demorest	McCarty

To more efficiently use the gym spaces we have, I’ve blocked different gyms with their own starting times scales.

Games are scheduled to start each hour. This is an example of a past game schedule. The green-colored blocks all operate off the “Time” column included with the green-colored blocks. The gold time scale is included in the gold-colored blocks.

Time	Vinland Elementary		Time	KMS#1	KMS#2
8am			8am		
9am	32-34		9am	41-44	41-43
10am	31-33		10am	42-45	42-44
11am	21-24		11am	43-46	53-57*
Noon	22-23		Noon	*54-51	*55-57*
1pm	31-35		1pm	*54-52	*55-56

There is a 4th grade girls game at 10am at KMS#2, Red42-Red44.

At Vinland, there is a 1pm boys game, Blue 31-Blue35 & at 11am, a 2nd grade boys game, Blue21-Blue24.

Red54 has a double header at KMS#1, noon and 1pm. There is an asterick by this team number indicating the team has a double header.

Playoffs for 6th grade and above, if possible, will commence Monday, Feb 26th. We may or may not have playoff games this day.

Some double headers will be held in different gyms. I’ve tried to have anyone doing a double header in two different gyms have their second game in their home gym. Most double headers will be in a single gym.

When you are copying your games down, check the whole schedule for games. There is a possibility of any team in any division having a double header any date. Remember, boys in blue, girls in red. For game start times, the blocks of color all operate by their associated “Time” column.

I will also have the game schedules posted Saturdays at each NK game site, as well as online on the Parks sports page.
