## MISSING PERSON

**POULSBO, WA:** On the evening of April 29, 2024, Poulsbo Police were notified a resident of a local assisted living facility had not returned from his usual evening outing. Poulsbo Police received information that the resident was seen near the waterfront, riding his motorized scooter onto the dock. Kitsap County Search and rescue were activated and subsequently the King County Dive team was asked to search the water.

The missing person was located shortly afterward by the King County dive team, submerged in about 16 feet of water.

The Kitsap County Medical Examiner has taken possession of the body and will make notification to the family.
