

Annexations to Poulsbo 1918 - 2023

City of Poulsbo Planning Department

This map is intended to show properties included in recent annexations. Property boundaries have in some instances been altered by the owner, and therefore are not exactly the same as at the time of annexation. Further research by the user is necessary to determine inclusion or exclusion of public-right-of-way included with specific annexations as this information is not shown here.
