

City of Poulsbo

COMMUNITY SIGN BOARD REQUIREMENTS

The City of Poulsbo is upgrading the two community signboards for ease of use, improved safety, and necessary repairs. Beginning in June 2024, the two community signboards along Highway 305 (Located at the Hostmark intersection and between Viking and Bond) must meet the following requirements:

Signage Requirements

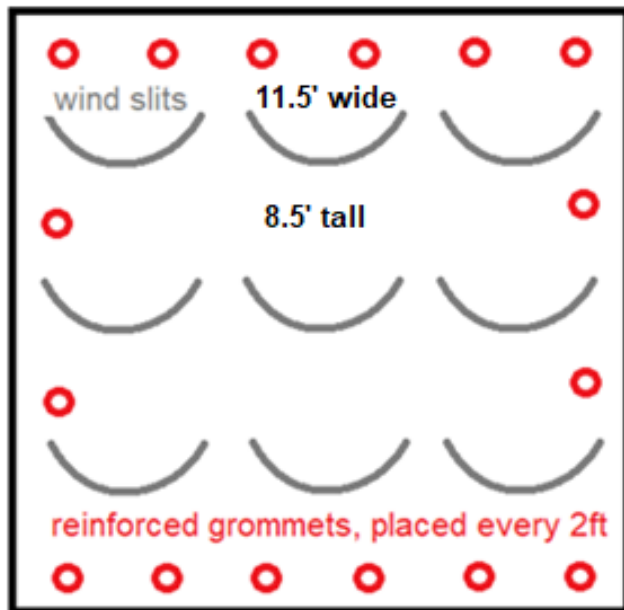

- 11.5' wide x 8.5' high (138" wide x 102" high)
- 18 oz double sided vinyl
- 9 wind slits - see below
- 6 reinforced grommets spaced every two feet

Previous renters have used the following companies for their signage production: Blue Sky Printing, [Signs.com](https://www.signs.com), [48hourprint.com](https://www.48hourprint.com), [uPrinting.com](https://www.uprinting.com),

**This is intended to be used as an informational reference and does not signify any recommendations by the City*

Visual of Banner Requirements

vinyl, double-sided in color
