- 1.2. Insurance Requirements (Attachment B)
- 1.3. Performance and Payment Bond
- 1.4. Schedule of Prevailing Wages (see <https://secure.lni.wa.gov/wagelookup/>)
- 1.5. Certification of Compliance with Wage Payment Statutes

2. **Notice to Proceed; Time of Completion.** The Contractor shall commence work within seven (7) days after the City issues a written Notice to Proceed and shall complete the work within twenty-one (21) calendar days from the City's issuance of the Notice to Proceed. The time of beginning, rate of progress, and time of completion are essential conditions of this Contract.

3. **Payment.**

- 3.1. **Payment Amount and Procedures.** The City shall pay the Contractor for all work and services covered by this Contract in an amount that shall not exceed (XXX) Dollars (\$0.00) which amount includes all applicable sales tax. The payment amount shall exclude approved change orders, in accordance with the quantity and unit prices shown on the attached bid proposal. The Contractor shall submit, in a format acceptable to the City, monthly invoices for work and services performed in a previous calendar month. The City shall pay for the portion of the work described in the invoice that has been completed by the Contractor and approved by the City. The City's payment shall not constitute a waiver of the City's right to final inspection and acceptance of the work.

- 3.2. **Defective or Unauthorized Work.** If, during the course of the Contract, the work rendered does not meet the requirements set forth in the Contract, the Contractor shall correct or modify the required work to comply with the requirements of the Contract. The City shall have the right to withhold payment for such work until it meets the requirements of the Contract. If the Contractor is unable, for any reason, to satisfactorily complete any portion of the work, the City may complete the work by contract or otherwise, and the Contractor shall be liable to the City for any additional costs incurred by the City. "Additional costs" means all reasonable costs incurred by the City, including legal costs and attorneys' fees, beyond the maximum contract price under this Contract. The City further reserves the right to deduct the cost to complete the work, including any additional costs, from any amounts due or to become due to the Contractor.
- 3.3. **Final Payment; Waiver of Claim.** Thirty (30) days after completion and final acceptance of the Project by the City as complying with the terms of this Contract, the City shall pay to the Contractor all sums due as provided by this Contract, except those required to be withheld by law or agreed to in special contract provisions. THE CONTRACTOR'S ACCEPTANCE OF FINAL PAYMENT (EXCLUDING WITHHELD RETAINAGE) SHALL CONSTITUTE A WAIVER OF CLAIMS, EXCEPT THOSE PREVIOUSLY AND PROPERLY MADE AND IDENTIFIED BY THE CONTRACTOR AS UNSETTLED AT THE TIME REQUEST FOR FINAL PAYMENT IS MADE.
- 3.4. **Retainage.** The City shall hold back a retainage in the amount of five percent (5%) of any and all payments made to the Contractor for a period of sixty (60) days after the date of final acceptance, or until receipt of all necessary releases from the State Department of Revenue, the Department of Employment Security and the State Department of Labor and Industries, and until settlement of any liens filed under chapter 60.28 RCW, whichever is later.
4. **Prevailing Wage.** The Contractor shall comply with and pay prevailing wages as required by chapter 39.12 RCW, as well as paying prevailing wages related to public works and building service maintenance contracts. Federal wage laws and regulations shall be applicable. No worker, laborer, or mechanic employed in the performance of any part of this Contract shall be paid less than the prevailing rate of wage as determined by the Industrial Statistician of the Department of Labor and Industries for the State of Washington.

Prior to making any payment under this Contract, the Contractor shall submit to the City an approved copy of the "Statement of Intent to Pay Prevailing Wages" from the Department of Labor and Industries. It is the Contractor's responsibility to obtain and file the Statement. The Contractor shall be responsible for all filing fees. Notice from the Contractor and all subcontractors of intent to pay prevailing wages and prevailing wage rates for the Project must be posted for the benefit of the workers. Each invoice shall include a signed statement that prevailing wages have been paid by the Contractor and all subcontractors.

In case any dispute arises regarding the prevailing rates of wages for work of a similar nature, and such dispute cannot be resolved by the parties of interest, including labor and management representatives, the matter shall be referred for arbitration to the Director of the Department of Labor and Industries of the State of Washington, and his/her decision therein shall be final and conclusive and binding on all parties involved in the dispute as provided for by RCW 39.12.060, as it may be amended in the future.

5. Indemnification and Hold Harmless.

- 5.1. **Defense, Indemnification, and Hold Harmless.** The Contractor shall defend, indemnify, and hold harmless the City, its officers, officials, employees, and volunteers from any and all claims, injuries, damages, losses, or suits, including attorney fees, arising out of or in connection with the performance of this Contract, except for injuries and damages caused by the sole negligence of the City.
- 5.2. **Liability for Damages Caused by Concurrent Negligence.** Should a court of competent jurisdiction determine that this Contract is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Contractor and the City, its officers, officials, employees, and volunteers, the Contractor's liability hereunder shall be only to the extent of the Contractor's negligence. It is further specifically and expressly understood that the indemnification provided herein constitutes the Contractor's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Contract.
- 5.3. **Inspection and Acceptance.** The City's inspection or acceptance of any of the Contractor's work when completed shall not be grounds to void, nullify, and/or invalidate any of these covenants of indemnification.
- 5.4. **No Third Party Right of Indemnification.** Nothing contained in this Contract shall be construed to create a liability or a right of indemnification in any third party.

6. Nondiscrimination and Compliance with Laws.

- 6.1. **Nondiscrimination.** The Contractor agrees not to discriminate against any employee or applicant for employment or any other person in the performance of this Contract because of race, creed, color, national origin, marital status, sex, sexual orientation, age, disability, or other circumstance prohibited by federal, state, or local law or ordinance, except for a bona fide occupational qualification.
- 6.2. **Compliance with Laws.** The Contractor shall comply with all federal, state, and local laws and ordinances applicable to the work to be done under this Contract.

6.3. Violation of this Section. Violation of this Section 6 shall be a material breach of this Contract and grounds for cancellation, termination, or suspension by the City, in whole or in part, and may result in ineligibility for further work for the City.

7. Job Safety

7.1. Work Site Safety. The Contractor shall take all necessary precaution for the safety of employees on the work site and shall comply with all applicable provisions of federal, state, and local regulations, ordinances, and codes. The Contractor shall erect and properly maintain, at all times, as required by the conditions and progress of the work, all necessary safeguards for the protection of workers and the public and shall post danger signs warning against known and unusual hazards.

7.2. Trench Safety. All trenches shall be provided with adequate safety systems as required by chapter 49.17 RCW and WAC 296-155-650 and -655. The Contractor is responsible for providing the competent person and registered professional engineer required by WAC 296-155-650 and -655.

8. Utility Location. The Contractor is solely responsible for locating any underground utilities affected by the work and is deemed to be an "excavator" for the purposes of chapter

19.122 RCW. The Contractor shall be responsible for compliance with chapter 19.122 RCW including utilization of the "one call" locator system, before commencing any excavation activities.

9. Correction of Defects. The Contractor warrants that all work completed under the Contract shall remain free from any defects in workmanship or materials for a period of one year after final acceptance. The Contractor shall be responsible for correcting all defects in workmanship and/or materials discovered within one year after the acceptance of this work. When corrections of defects are made, the Contractor shall be responsible for correcting all defects in workmanship and/or materials in the corrected work for one year after the acceptance of the corrections of the City. The Contractor shall start work to remedy such defects within seven (7) days of the City's mailed notice of discovery and shall complete such work within a reasonable time agreed to by both parties. In emergencies where damage may result from delay or where loss of service may result, such corrections may be made by the City, in which case the Contractor shall pay all costs incurred by the City to perform the correction. In the event the Contractor does not accomplish corrections within the time specified, the correction work will be otherwise accomplished by the City and all costs of same shall be paid by the Contractor.

10. Change Order/Contract Modification.

10.1 Amendments. This Contract, together with attachments and/or other addenda, represents the entire and integrated Contract between the parties hereto and supersedes all prior negotiations, representations, or agreements, either written or oral. This Contract may be amended, modified, or added to only by written change order properly signed by both parties.

10.2 Change Orders. The City may issue a written change order for any change in the work during the performance of this Contract. If the Contractor determines, for any reason, that a change order is necessary, the Contractor must submit a written change order request to the City within fourteen (14) calendar days of the date the Contractor knew or should have known of the facts and events giving rise to the requested change. If the City determines that the change increases or decreases the Contractor's costs or time for performance, the City will make an equitable adjustment. The City will attempt, in good faith, to reach agreement with the Contractor on all equitable adjustments. If the parties are unable to agree, the City will determine the equitable adjustment as it deems appropriate. The Contractor shall proceed with the change order work upon receiving the written change order. If the Contractor fails to require a change order within the time frame allowed, the Contractor waives its right to make any claim or submit subsequent change order requests for that portion of the work. If the Contractor disagrees with the equitable adjustment, the Contractor must complete the change order work; however, the Contractor may elect to protest the adjustment as provided below.

10.3 Procedure and Protest by Contractor. If the Contractor disagrees with anything required by a change order, another written order, or an oral order from the City, including any direction, instruction, interpretation, or determination by the City, the Contractor shall, within fourteen (14) calendar days, provide a signed written notice of protest to the City that states the date of the notice of the protest, the nature and circumstances that caused the protest, the provisions of the Contract that support the protest, the estimated dollar cost, if any, of the protested work and how the estimate was determined, and an analysis of the progress schedule showing the schedule change or disruption, if applicable. The Contractor shall keep complete records of extra costs and time incurred as a result of the protested work. The City shall have access to any of the Contractor's records needed to evaluate the protest. If the City determines that a protest is valid, the City will adjust the payment for work or time by an equitable adjustment.

10.4 Failure to Protest or Follow Procedures Constitutes Waiver. By not protesting or failing to follow procedures as this section provides, the Contractor waives any additional entitlement or claims for protested work and accepts from the City any written or oral order (including directions, instructions, interpretations, and determinations).

10.5 Contractor's Duty to Complete Protested Work. Regardless of any protest, the Contractor shall proceed to promptly complete work that the City has ordered.

10.6 Contractor's Acceptance of Changes. The Contractor accepts all requirements of a change order by: (1) endorsing the change order; (2) writing a separate acceptance; or (3) not protesting in the manner this section provides. A change order that is accepted by the Contractor as provided herein shall constitute full payment and final settlement of all claims for contract time and for direct, indirect, and consequential costs, including costs of delays related to any work, either covered or affected by the change.

11. Claims. The Contractor shall give written notice to the City of all claims, other than change orders, within thirty (30) days of the occurrence of events giving rise to the claim, but in no event later than the time of approval by the City for final payment. Any claim for damages, additional payment for any reason, or extension of time shall be conclusively deemed to have been waived by Contractor, unless a timely written

claim is made in strict accordance with the applicable provisions of this Contract. At a minimum, a Contractor's written claim must include the information required in Section 10.3 regarding protests.

FAILURE TO PROVIDE A COMPLETE AND WRITTEN NOTIFICATION OF CLAIM IN THE TIME ALLOWED SHALL BE AN ABSOLUTE WAIVER OF ANY CLAIMS ARISING IN ANY WAY FROM THE FACTS OR EVENTS SURROUNDING THAT CLAIM.

The Contractor must, in any event, file any claim or bring any suit arising from or connected to this Contract within 120 calendar days from the date the work is completed. The Contractor, upon making application for the final payment, shall be deemed to have waived its right to claim for any other damages for which application has not been made, unless such claim for final payment includes notice of additional claim and fully describes such claim.

12. Contractor's Risk of Loss. It is understood that the whole of the work under this Contract is to be done at the Contractor's risk, and that it/he/she has familiarized itself/himself/herself with all existing conditions and other contingencies likely to affect the work, and has made its/his/her bid accordingly, and that Contractor shall assume the responsibility and risk of all loss or damage to materials or work which may arise from any cause whatsoever prior to completion.

13. Insurance. The Contractor shall maintain insurance as provided for in section 1-07.18 of the 2023 WSDOT Standard Specifications.

14. Payment and Performance Bonds. The Contractor shall provide Payment and Performance bonds to the City in the amount of 100% of the Contract price and no less. The bonds must be accepted by the City prior to the execution of the Contract and shall be in a form approved by the City. The bonds shall be released thirty (30) days after the date of final acceptance of the work performed under this Contract and receipt of all necessary releases from the Department of Revenue, the Department of Employment Security and the Department of Labor and Industries in settlement of any liens filed under chapter 60.28 RCW, whichever is later.

15. Termination. This Contract shall terminate upon satisfactory completion of the work described in the Scope of Work (Attachment A) and final payment by the City. The City may terminate the Contract and take possession of the premises and all materials thereon and finish the work by whatever methods it may deem expedient by giving ten (10) days' written notice to the Contractor.

In the event that this Contract is terminated by the City, the Contractor shall not be entitled to receive any further amounts due under this Contract until the work specified in the Scope of Work (Attachment A) is satisfactorily completed, as scheduled, up to the date of termination. At such time, if the unpaid balance of the amount to be paid under the Contract exceeds the expense incurred by the City in finishing the work, and all damages sustained by the City or which may be sustained by the City or which may be sustained by reason of such refusal, neglect, failure,

or discontinuance of employment, such excess shall be paid by the City to the Contractor. If the City's expense and damages exceed the unpaid balance, the Contractor and its surety shall be jointly and severally liable therefore to the City and shall pay such difference to the City. Such expense and damages shall include all legal costs incurred by the City to protect the rights and interests of the City under the Contract, provided such legal costs shall be reasonable.

16. **Attorney's Fees and Costs.** If any legal proceeding is brought related to the enforcement of this Contract, or because of a dispute, breach, default, or misrepresentation in connection with any of the provisions of this Contract, the prevailing party shall be entitled to recover from the other party, in addition to any other relief to which such party may be entitled, reasonable attorney's fees and other costs incurred in that action or proceeding.
17. **General Administration.** The Project Manager of the City shall have primary responsibility for the City under this Contract to oversee and approve all work performed as well as all financial invoices.
18. **Ownership of Documents.** On payment to the Contractor by the City of all compensation due under this Contract, all finished or unfinished documents and material prepared by the Contractor with funds paid by the City under this Contract shall become the property of the City and shall be forwarded to the City upon its request. Any records, reports, information, data, or other documents or materials given to or prepared or assembled by the Contractor under this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without prior written approval of the City or by court order.
19. **Subletting or Assigning of Contracts.** Neither the City nor the Contractor shall assign, transfer, or encumber any rights, duties, or interests accruing from this Contract without the prior written consent of the other. If subcontract work is needed, prior to approval by the City, the Contractor must verify that its first-tier subcontractors meet the bidder responsibility criteria as provided in RCW 39.04.350.
20. **Relationship of Parties.** The parties intend that an independent contractor relationship will be created by this Contract. As the Contractor is customarily engaged in an independently established trade which encompasses the specific service provided to the City hereunder, no agent, employee, representative, or subcontractor of the Contractor shall be or shall be deemed to be the employee, agent, representative, or subcontractor of the City. None of the benefits provided by the City to its employees, including, but not limited to, compensation, insurance, and unemployment insurance, are available from the City to the Contractor or its employees, agents, representatives, or subcontractors. The Contractor shall be solely and entirely responsible for its acts and for the acts of Contractor's agents, employees, representatives, and subcontractors during the performance of this Contract. The City may, during the term of this Contract, engage other independent contractors to

perform the same or similar work that the Contractor performs hereunder.

- 21. Nonwaiver of Breach.** The failure of the City to insist upon strict performance of any of the terms and rights contained in this Contract, or to exercise any option contained in this Contract in one or more instances, shall not be construed to be a waiver or relinquishment of those terms and rights and such terms and rights shall remain in full force and effect.
- 22. Written Notice.** All communications regarding this Contract shall be sent to the Parties at the addresses listed below in the Contact information, unless otherwise notified. Any written notice shall become effective on delivery, but in any event on the date three (3) calendar days after the date of mailing by registered or certified mail, and shall be deemed sufficiently given if sent to the addressee at the address stated in this Contract.
- 23. Term.** This Contract shall be effective from the date of Contract execution through expiration of the warranty period as described in Section 9.

IN WITNESS WHEREOF, the Parties have executed this Contract as of the later of the signature dates included below.
